

ESET® CASE STUDY: INTERNET SECURITY: CUSTOMIZED FOR A TELECOM CUSTOMER

Slovak Telekom
Industry: Telcom
www.telekom.sk

ABOUT SLOVAK TELEKOM

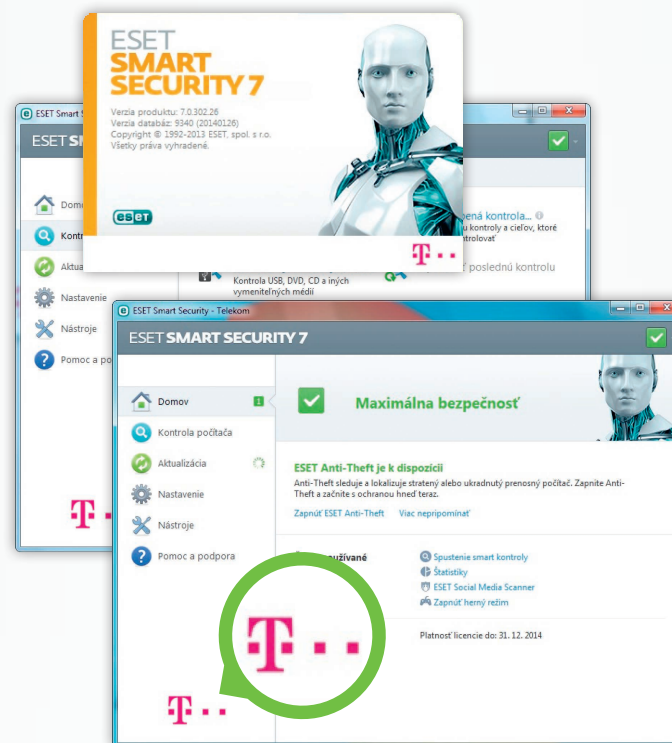

Member of the multinational Deutsche Telekom Group, Slovak Telekom is the largest Slovak multimedia operator. The company offers a comprehensive portfolio of voice, data and TV services provided via fixed and mobile networks.

THE BUSINESS NEED

- Increase the value of company's Internet services
- Safeguard the data of Slovak Telekom customers
- Improve the user experience without unnecessary slowdowns.

THE SOLUTION: ESET SMART SECURITY®

"Slovak Telekom only cooperates with companies that have best-of-breed products in their area of expertise. ESET is one of those companies. We highly appreciate the knowledge and skills of ESET experts, that are evidence that also small companies can become a Nr. 1 in a highly competitive market. ESET products are consistently rated as the best on the market, and therefore we believe our cooperation is beneficial for both sides," said Peter Terpák, Mass Market Segment PMM Senior Manager at Slovak Telekom.
